

**Atlas Granite Inc of Edmonton
Awarded Best Of Houzz 2016**

***Over 35 Million Monthly Unique Users Nominated Best Home Building,
Remodeling and Design Professionals in North America and Around the World***

Edmonton, Canada January 12, 2016 –

Atlas Granite Inc of Edmonton has won “**Best Of Service** on [Houzz®](#), the leading platform for home remodeling and design. The Custom Counter top firm was chosen by the more than 35 million monthly unique users that comprise the Houzz community from among more than one million active home building, remodeling and design industry professionals.

The Best Of Houzz is awarded annually in three categories: Design, Customer Service and Photography. Design award winners’ work was the most popular among the more than 35 million monthly users on Houzz. Customer Service honors are based on several factors, including the number and quality of client reviews a professional received in 2015. Architecture and interior design photographers whose images were most popular are recognized with the Photography award. A “Best Of Houzz 2016” badge will appear on winners’ profiles, as a sign of their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.

“Customer Service is our number one priority. We shop around the world for our customers and always carry unique products which are tough to find anywhere else. It is thrilling to see that our customers have recognized and voted for us. A Big Thanks to all our clients for their support and we would continue to service their needs to the best of our capability” said Ricky Nayar, CEO of Atlas Granite Inc.

“Anyone building, remodeling or decorating looks to Houzz for the most talented and service-oriented professionals” said Liza Hausman, vice president of Industry Marketing for Houzz. “We’re so pleased to recognize **Atlas Granite Inc.** voted one of our “Best Of Houzz” professionals by our enormous community of homeowners and design enthusiasts actively remodeling and decorating their homes.”
